

Junction Solutions Honored in the 2010 Microsoft Partner Awards as Microsoft Dynamics® Retail Partner of the Year

LINCOLNSHIRE, IL — Today, Chicago-based Junction Solutions, a provider of vertical market-specific software applications and services for the Multi-Channel Retail and Food and Beverage industries, announced it is a Microsoft Partner Awards winner as **Microsoft Dynamics® Retail Partner of the Year**. The company was chosen out of an international field of top Microsoft partners as delivering market-leading retail customer solutions built on Microsoft technology.

“We are pleased to be recognized for both our deep retail industry expertise as well as the value we consistently deliver to our customers,” said Jeff Grell, president and CEO, Junction Solutions. “Our end-to-end solution-set for the retail industry, JunctionMCR™, supports retailers’ customer-centric business strategies and extends the value of our customers’ Microsoft Dynamics® AX investment.”

Awards will be presented in a number of categories, with winners chosen from a pool of almost 3,000 entrants worldwide. Junction Solutions, Inc. was recognized for superior technology and innovation in Microsoft Dynamics® Retail Partner of the Year. The Microsoft Dynamics® Retail Partner of the Year Award honors partners who have exhibited excellence in providing superior solutions based on Microsoft Dynamics® to customers in the retail industry. This award recognizes Junction Solutions for demonstrating industry knowledge and expertise, as well as consistent, high-quality, predictable service to Microsoft Dynamics® customers. The company also has demonstrated business leadership and success through strong growth in new customer additions and revenue.

“We are proud to recognize Junction Solutions as the Microsoft Dynamics® Retail Partner of the Year. Junction Solutions has proven its ability to deliver strong customer success and satisfaction from start to finish in the retail market,” said Doug Kennedy, vice president, Dynamics Partners, Microsoft Corp. “Junction Solutions has extended Microsoft Dynamics® AX with powerful multi-channel capabilities, enabling retailers to increase visibility across all channels of the retail organization, react quickly, and increase customer satisfaction.”

About Junction Solutions

Junction Solutions provides vertical-specific software applications and services that help organizations enhance operational performance, reduce costs, expand delivery channels and strengthen relationships.
