### **Junction Solutions Promotes Nick Bova to COO**

**DENVER, CO** — Denver-based Junction Solutions ([www.junctionsolutions.com](http://www.junctionsolutions.com)), a provider of vertical, market-specific on-premise and on-demand software applications and services for the Food and Beverage, Multi-Channel Retail and Distribution industries, today announced that Nick Bova has been named COO. In his new position, Bova will oversee customer service and the strategic development of new products for the entire global operation. Bova previously served as Senior Vice President of Operations at Junction Solutions, managing the combined P&L for the company's Food and Beverage and Multi-Channel Retail business units.

“During his tenure at Junction Solutions, Nick Bova has played a significant role in the company's growth and success, particularly in the areas of business strategy and operations,” said Jeff Grell, president and CEO of Junction Solutions. “Nick brings a wealth of industry and operations experience to the table, which has greatly facilitated Junction Solutions' rapid growth and the expansion of our product offerings.”

Prior to joining Junction Solutions, Bova served as Vice President of Supply Chain Planning and Logistics for Campbell Soup North America and as a Partner in the Supply Chain Consulting practice of PricewaterhouseCoopers. He earned a B.A. degree in Biological Sciences and an M.S. in Industrial Engineering from the University of Missouri - Columbia.

#### **About Junction Solutions**

With offices throughout the U.S. and U.K., Junction Solutions provides vertical-specific on-premise and on-demand software applications and services that help organizations enhance operational performance, reduce costs, expand delivery channels and strengthen relationships. Built on Microsoft Dynamics® AX and designed specifically for Multi-Channel Retail, Food & Beverage and Distribution companies, Junction Solutions' innovative offerings focus on enterprise resource planning, (ERP), supply chain management (SCM – demand, order, warehouse, yard and distribution management),

human capital management, merchandising, order entry management, call-center management, eCommerce engagement and fulfillment. The company was named 2010 Microsoft Dynamics® Retail Partner of the Year. For more information, please visit [www.junctionsolutions.com](http://www.junctionsolutions.com).
